Dear Jon

Thank you for writing to me on behalf of the Marrickville Peace Group in regards to your concern over the threat of nuclear weapons.

As a Member of Parliament, it is my practice that I do not sign petitions, regardless of their content; however this does not mean I do not support the work of organisations such as ICAN Australia or the issue they are advocating.

I very much share your concerns in regards to nuclear weapons. I have consistently advocated for a nuclear weapon ban and peace.

I thank you again for taking the time to write to me about this very important issue.

I wish you and the Marrickville Peace Group a safe and happy festive season.

Yours sincerely

Anthony Albanese MP
Federal Member for Grayndler
